

Nomination for Membership

Destination Port Stephens

Heath Jones

Qualifications

Bachelor of Commerce (Newcastle University)
Diploma of Business (Real Estate Management)
Licenced Real Estate Agent

Professional History

Owner of Nelson Bay Real Estate since 2007 (Managed since 2005, employed since 1994)
Experienced in property sales, rental management, accounting, business management.

Currently Convenor of NELSON BAY NOW (since resignation of Ryan Palmer from the role when he was elected Mayor). This has involved chairing meetings and helping to form group submissions from differing parties (such as Tomaree Rate Payers Association, Tomaree Business Chamber, business owners, commercial property owners and other stakeholders) where common ground can be agreed upon – and then lobbying council.

Recent successes have included completion of Yacaaba Street extension, keeping the central business district / commercial zone at 5 (+2) stories, and extension of the “activated street frontage” area to include all of Yacaaba Street (up to Tomaree Street). Nelson Bay NOW was also involved in the creation of the Civic Pride Committee.

Personal History

I am a 6th Generation local resident with a keen interest in the responsible development and sustainable growth of our area. My business operates from premises that we own in the centre of the Nelson Bay Business District. Nelson Bay Real Estate was founded in 1980 by Michael Aylmer (past president).
