

Statement for Ordinary Director

Nominee: Jin Kim

Name of Full Member organisation: 4WD Tours R Us

Jin Kim has been working in tourism industry from 2003, started his career from a Korean Inbound Tour Operator. He opened his own ITO on 2012 which specialised in FIT market and led the Korean FIT market with various new itineraries.

Despite living in the big city of Sydney, he and his family always desired to move to Port Stephens but couldn't find any good reason to move.

In 2015, he found another business opportunity in Port Stephens, he moved here and started new restaurant at the Landmark Resort Nelson Bay even though he never worked in the restaurant field, this maintaining his connection with a lot of inbound operators

He came back to the tourism industry on 2017 as a sales and marketing representative at 4WD Tours R Us and he stated to represent Oakfieldranch Camel Rides from 2018.

From his experience, he knows the nature of Inbound Tour Operators as well as Suppliers and has a passion and love for promoting Port Stephens with everything it has to offer, He represents Port Stephens whenever he is out meeting agents, wholesalers and even his friends, encouraging them to move to Port Stephens!

It will be good opportunity for both Jin Kim and Destination Port Stephens if he becomes a member of ordinary director and we strongly recommend him for the position

If you have any question about him, please let me know.
